Aran tried to use the Main Family's Arts and his Ki turned against him

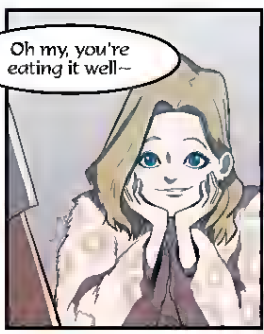
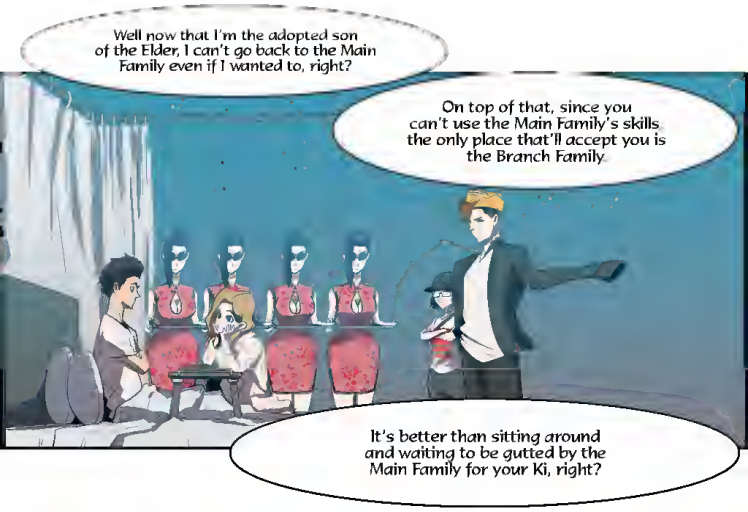
I could use it perfectly fine before...

The Elder did something in order to prevent you from going over to the Main Family.
The pot you went into contained alcohol that would weaken the Main Family's Ki.

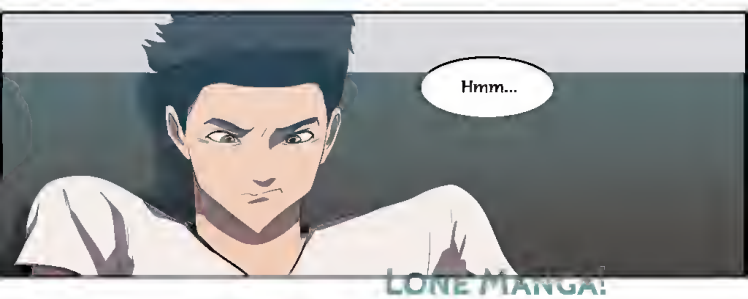
What?
GULP



Oh my, you're eating it well~



Well now that I'm the adopted son of the Elder, I can't go back to the Main Family even if I wanted to, right?
On top of that, since you can't use the Main Family's skills the only place that'll accept you is the Branch Family.
It's better than sitting around and waiting to be gutted by the Main Family for your Ki, right?

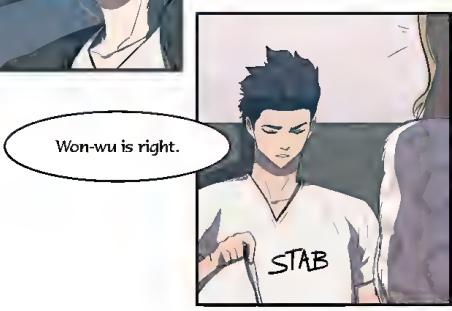


Hmm...

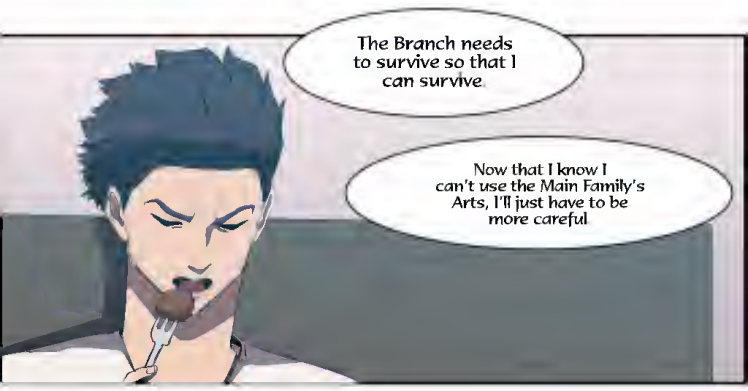
LONE MANGA!

Heh. Aran, you were causing such a ruckus that I had to come visit you. I have something to say, too~
How about you guys take a break? The news and internet are going crazy about you guys, you know?
No, we can't! Su-hyun is becoming stronger by the second, so we need to be prepared!
RISES
It's you, isn't it?
SMIRK
The one who let Aran loose.

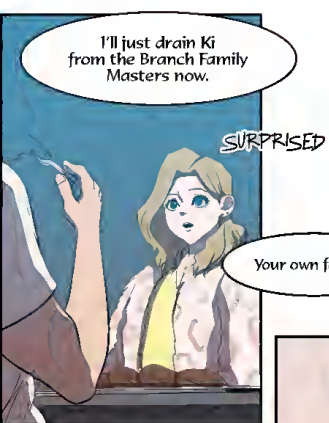
It's a matter of life or death for our family! I'll do anything it takes...
We cannot stop Aran right now!



Won-wu is right.
STAB

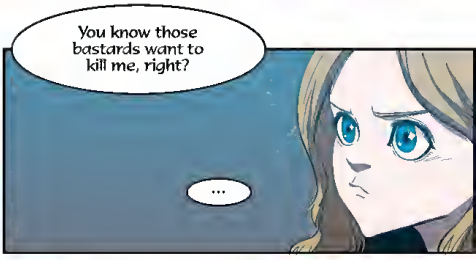


The Branch needs to survive so that I can survive.
Now that I know I can't use the Main Family's Arts, I'll just have to be more careful.

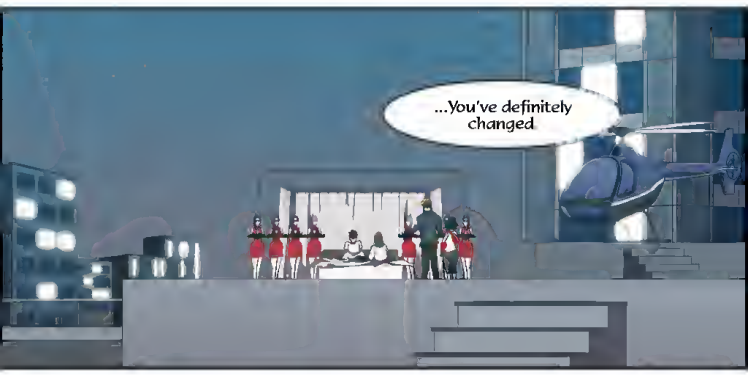


I'll just drain Ki from the Branch Family Masters now.
SURPRISED
Your own family?

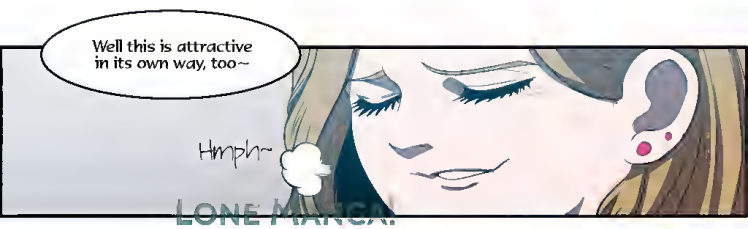
Can't I?



You know those bastards want to kill me, right?
...



...You've definitely changed.



Well this is attractive in its own way, too~
